

Procedures to Follow

Thank you for choosing to play golf at Quail Ridge Golf Club. We are very grateful to be open again. In light of the current pandemic (COVID -19) we have made a lot of changes to ensure your safety and the safety of our staff. Please see below.

- Face coverings are encouraged while inside the building in accordance with Governor Whitmer's Executive Order
- Follow all CDC Guidelines regarding social distancing, safe handwashing, avoid groups of people, etc.
- No more than 2 people in the restroom at a time, and no more than 8 people in the clubhouse to purchase to-go food or beverage.
 - We have tape on the ground to keep everyone distanced
- One golf cart will be provided per 2 people, unless the two golfers reside in the same household.
 - We recommend placing both bags on the golf cart and designate one driver and one walker. The new guidelines are clear that golfers need to maintain at least 6 feet of social distancing.
 - Each golf cart is washed and sanitized before being parked for storage in the evening. When the cart is brought up in the morning, an employee will sanitize the main touch points of the cart again prior to use.
- Our pro shop will be open but blocked off to access. If you need to purchase balls, tees, etc. you can ask for those from a staff member who will get them and set them on a side table after purchase is complete.
 - We have set our credit card machine up 10 feet away from the computer to ensure proper distancing. Any range balls, sleeves of balls, tees, etc. will be grabbed by our staff
- Do not touch or remove the flagstick. We have inserted foam to keep your ball from dropping into the cup.
- All rakes have been removed. Please utilize winter rules in the bunkers. Our staff will maintain raking as much as possible throughout the week
- Our porta johns are not available, and we will not have water coolers placed on the course. We encourage you to purchase bottled water or bring your own.

- Remain outside the building unless you need to make a purchase or use the restroom, and limit your time inside
- Please do not congregate outside the building, in the parking lot, or in high traffic areas such as the 1st tee or the putting green.

Thank you very much for doing your part to ensure the safety and health of everyone around you. We hope these restrictions are short lived, and soon we will be able to serve you as we are all accustomed to. Be safe, enjoy the great outdoors, and have fun playing this game we all love.
